Lifting of the Suspension of Accreditation of CCEDU for Election-related Activities

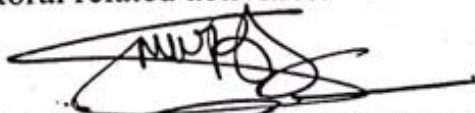

Following the suspension of accreditation of Citizen's Coalition for Electoral Democracy in Uganda (CCEDU) for election-related activities on 4th July 2018, a Joint Committee comprising officials from the Electoral Commission and CCEDU was established on 24th October 2018, to review and harmonise the EC/CCEDU working relationship.

The said Committee was further tasked to identify issues of concern from both the Commission and CCEDU while engaging in election related activities.

Subsequently, the Joint Committee Report was presented to the Electoral Commission and was adopted.

The Report includes mutually binding recommendations, which both the Commission and CCEDU have committed to.

Accordingly, in a meeting held today, Thursday, 21st February 2019, at the Electoral Commission Headquarters, between the Commission and CCEDU officials, the Commission has taken the decision to lift the suspension of accreditation of CCEDU for electoral related activities.
